

# 25th ESTS MEETING

28 MAY - 31 MAY 2017 • INNSBRUCK, AUSTRIA

EUROPEAN CONFERENCE ON GENERAL THORACIC SURGERY

## HANDS ON SESSIONS

Monday 29 May 2017 07:00 - 08:00

Tuesday 30 May 2017 07:00 - 07:50

Dear colleagues,

ESTS announces for the third year the provision of Hands on sessions for delegates.

This course is running in collaboration with Industry Partners, within the Annual Conference, and it offers delegates a practical experience on latest technology and devices used in Thoracic Surgery.

This year the course will run in 2 successive cycles.

**Station one:** During this session there will be a 5-7 minute lecture on the current technology on bronchoscopic electromagnetic navigation systems. The delegates will have the opportunity to experience and train on the system as well as have answers on all questions regarding diagnostic benefits and future treatment benefits of such systems in the management of peripheral lung lesions endoscopically.

**Station two:** Airway management. In this session the delegates will be able to perform bronchoscopies, with rigid and flexible bronchoscopes and experience the full range of accessories utilized in the management of endobronchial pathology including stent placement and stent placement systems.
