- 13:30 Welcome  
*Thomas Schmid* (Innsbruck/AT)  
*Britt Borregaard* (Odense/DK)  
*Malene Misse* (Copenhagen/DK)
- 13:45 Lung cancer and stigma  
*Trine Oksholm* (Bergen/NO)
- 13:55 Lung cancer and peer support  
*Britt Borregaard* (Odense/DK)
- 14:05 Lung cancer treatment trajectory and fast track  
*Malene Misse* (Copenhagen/DK)
- 14:15 Discussion

14:25 - 15:45

#### Oral Presentations

14:25 - 14:35

N-001 Management of acute bleeding during vats procedures  
*S. Niederl, Alberta Wolf*  
Innsbruck/AT

14:35 - 14:45

N-002 Preparing patients for thoracic and cardiothoracic surgery - positioning and sterile draping  
*S. Niederl, Verena Gatscher*  
Innsbruck/AT

14:45 - 14:55

N-003 Developing a multi-disciplinary thoracic surgery research team improves the recruitment into clinical trials and patients experience  
*Amy Kerr, N. Oswald, S. Kadir, J. Webb, J. Taylor, H. Bancroft, E. Bishay, M. Kalkat, R. Steyn, P. Rajesh, B. Naidu*  
Birmingham/UK

14:55 - 15:05

N-004 Preoperative nutritional status in lung cancer patients undergoing lobectomy, a pilot study of the patient-generated subjective global assessment tool (PG-SGA) in a danish setting  
*Malene Haugaard Hansen, L. Thrysoe, B. Borregaard*  
Odense/DK

15:05 - 15:15

N-005 Using mobile application to prepare patients for surgery of pectus excavatum  
*Pernille Brasch Andersen, B. Roelsgaard*  
Aarhus N/DK

15:15 - 15:25

N-006 Inhalation therapy – The search for the optimal device  
*Helmut Täubl*  
Natters/AT

15:25 - 15:35

N-007 Secretion clearance if needed – What we can do  
*Helmut Täubl*  
Natters/AT

15:35 - 15:45

N-008 Study on postoperative respiratory exercise and pulmonary complications in patients with lung resection surgery  
*Hyewon Moon, H.Y. Kim, H.K. Moon*  
Seoul/KR

# 25th ESTS MEETING

28 MAY - 31 MAY 2017 INNSBRUCK, AUSTRIA

15:45 - 16:20 **Coffee break**

## Posters displayed at coffee break

N-016 Development of a dedicated nursing procedure for thoracoscopic lung resection with intraoperative localization in the hybrid room

*F. Colombano, Simona Cavallo, R. Torta, C. Mansuino, A. Stanzi, G. Melloni*

Cuneo/IT

N-017 Nursing evaluation of postoperative pain in surgery of thorax

*Marina Chounti*

Galatsi Athens/GR

N018 Nurseled telephone follow-up as a supportive tool after hospitalisation

*Brigitte K. Rasmussen, B. Borregaard*

Odense C/DK

## Session II 16:20 - 18:15 h

**Chairs:** Malene Missel (Copenhagen/DK)  
Johnny Moons (Leuven/BE)

16:20 Esophagus cancer  
*Birthe Roelsgaard* (Aarhus/DK)

16:30 Experience of pain in patients with chest drain  
*Anette Viftrup* (Copenhagen/DK)

16:40 Understanding falls: an interdisciplinary approach for nursing practice  
*Christa Them* (Innsbruck/AT)

16:50 Discussion

## 17:00 - 18:00 Oral Presentations

*Y. Ou, Lina Xu, Q. Cui, Y. Du, H. Wang, D. Ge*  
Shanghai/CN

17:10 - 17:20

N-010 New insights in the care of patients undergoing esophagectomy. Nurses input in the development of a new eras protocol  
*Johnny Moons, A. Boogers, M. Jans, M. Fontaine, H. Vandeweege, S. Coppens, P. Nafteux*  
Leuven/BE

17:20 - 17:30

N-011 Is a prophylactic minitracheostomy (pmt) a useful adjunct to facilitate secretion clearance and to avoid sputum retention in esophagectomy patients?  
*Johnny Moons, A. Boogers, E. Gijbels, E. Pans, K. Dubois, P. Nafteux, L. Depypere*  
Leuven/BE

17:30 - 17:40

N-012 A transverse dilemma in nursery - malnourished patients' experiences with nutritional care at hospitals  
*Louise Carlsen*  
Copenhagen/DK

17:40 - 17:50

N-013 Advantages of early mobilization on respiratory outcomes in patients undergoing vats  
*F. Raveglia, Linda Leo, A. Baisi, A. Rizzi, S. Terzoni, A. Destrebecq*  
Milano/IT

17:50 - 18:00

N-014 Post-operative care of patients treated without post-operative chest tubes  
*Julie Madsen, M. Missel, R.H. Petersen, H.J. Hansen, B.L. Holbek*  
Copenhagen/DK

18:00 - 18:15

## Award Ceremony

Best Oral Abstract Presentation  
*Award: 500 EUR for the best two oral presentations. These prizes are offered by MEDTRONIC to the best two oral presentations in the Symposium for Nurses.*

18:15

## Close of the symposium
